# hybrid SERIES

**HYBRID - the combination of two elements.** The LX Pro Hybrid Series brings together science and nature for the perfect blend of performance, strength and beauty. The LX Pro Hybrid Series applies the top technologies available in premier paint finishes with state-of-the-art application techniques to provide a striking natural appearance.

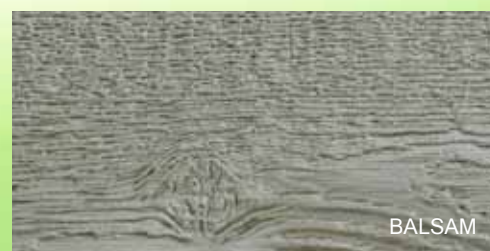

The collection emulates the colors found throughout nature and the multi-toned effect brings depth to your exterior with its enhanced grain. Further supported by our 30-Year Industry Leading Limited Warranty, The LP® Smartside® / LX Pro Hybrid Series is your choice for excellence in product, performance and appearance.

CLOVE

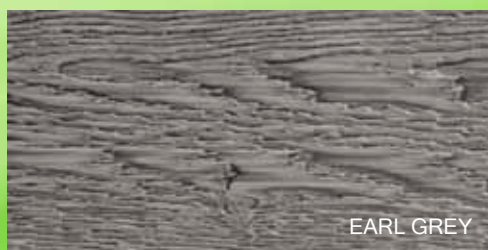

HAZELWOOD

BALSAM

BLACK CURRANT

EARL GREY

SPICED CEDAR
